This Letter of Acceptance (LOA) confirms that you are academically eligible for the program you applied to. However, please note that this LOA does not guarantee the issuance of a Provincial Attestation Letter (PAL), a study permit, a visa, or access to travel to Canada. Further communications regarding the next steps will be sent to the email address you provided.

New Study Permit Application Requirement

As of 2024, some international students looking to study in Canada will need a Provincial Attestation Letter (PAL) from the province or territory where their school of choice is located. [Canada - Immigration-refugees-citizenship](#).

If your address has changed from the time of application, please contact an International Admissions Officer or Assistant as soon as possible. It's important that your details match those in your Study Permit Application and Provincial Attestation Letter to avoid any delays or issues. For assistance and to update your information, visit the [Centennial College International Contact Page](#).

Tuition and Payment

All fees should be made payable to Centennial College and deposited in the student's account. International tuition fees should be paid using one of our preferred vendors available for international applicants, which you can view on our website: [Centennial College Payment Options](#).

*An official Fee Estimate will be issued to you when the fees are approved. The tuition fees quoted in this Letter of Acceptance (LOA) are based off the previous year, therefore the Fee Estimate may vary. Tuition excludes any program specific costs, uniform, immunization, and supplies.

In some cases, it is not possible to quote the tuition fees for an entire program. Fees listed above cover the specified number of semesters only. Some programs have more than two semesters in the first year. Additional tuition fees/health insurance will apply for the additional semesters. For example, one-year programs with three semesters will have a separate Fee Estimate sent for the third semester tuition fees.

**If this letter is received after the "Fees Due Date", arrangements should be made to pay the full semester tuition as soon as possible and contact your admissions representative to confirm if the program is still available. Full fees are due on the above "Fees Due Date". Full year tuition fee is required if you're applying for a program that is 2 years or more.

The College reserves the right to withdraw confirmed applicants who have not paid their tuition by the deadline outlined in this offer.
